Introduction

Hey everyone!

For over 30 years, this prayer guide has helped people who follow Jesus learn about their Muslim neighbors. It also encourages us to ask Jesus for lots of kindness and help.

Welcome to this special kids edition, which has been compiled by our friends at [2BC](#) – (2 Billion Children). We are sure you will find it helpful and inspiring.

Not long ago, some big research found out that more than 90% of people in the world who haven't heard about Jesus – like Muslims, Hindus, and Buddhists – live in really big cities. So, people who teach about Jesus started focusing more on these huge cities. A lot of people all over the world started praying together about this.

Guess what? All this research, praying, and telling others about Jesus is working wonders! We're hearing amazing stories and seeing proof that when we work together to spread Jesus' love and forgiveness, great things happen.

The 2025 prayer guide is all about caring a lot for our neighbors and telling them the best news ever – that they can find hope and be saved because of Jesus. Thanks to everyone who helped make this book and to those who are praying and helping in big cities.

Let's tell everyone about what Jesus has done and who He is.

This is all about sharing the story of Jesus,

William J. Dubois

How to use this guide...

This [Childrens 10 Days of Prayer for the Muslim World Prayer Guide](#) is designed to help children (age 6-12 years) and their families as they participate in the 10 Days of Prayer for the Muslim World. Many children from cities and nations around the world will be joining us as we pray together.

Each day will follow a theme of '[Living by the Fruit of the Spirit](#)' - with a bible verse, a thought from [Justin Gunawan](#) and an action point.

We encourage you to make a short daily declaration, celebrating and thanking Jesus for the gift of his precious blood which saved us and brought us new life!

Each day, we also bring a worship song that aligns with the theme... many are action and dance based, so do jump and enjoy!

We will introduce you to a city or nation, tell you a bit about it and what kids in that city like to do.

We will then start you off with some prayers, as we ask God to open the hearts of the people to the message of Hope that we have in Jesus.

On Thursday, March 27th we will spend 24 hours online in worship and prayer – led by people of all ages. Do join us if you can! More info

We hope you will be inspired and thrilled to be praying with many children around the world as you use this guide!

Children's Prayers Can Change the World!

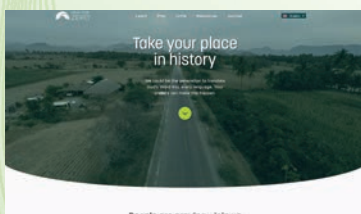

We believe that God is calling children everywhere to be "on mission" with Him. They are joining adults in the global prayer and mission movements around the world. Your prayers really will make a difference!

Here are three of the exciting prayer projects in the guide...

2BC's (2 Billion Children) vision is to see every child a world changer! – through hearing the voice of their Heavenly Father, knowing their identity in Christ and being empowered by God's Spirit to share His love.

See www.2bc.world

Pray for Zero's vision is that Zero people are without a bible in their mother tongue by 2033. Each day we will pray for that to happen across the cities and nations we are focused on!

See www.prayforzero.com

Pray for All's vision is that every person across the world is prayed for by name! So we will pray for one person we know each day by name – that they will know Jesus as their best friend.

What is Ramadan?

Here are 4 important things about Ramadan, a special month for Muslims.

1. Ramadan is a super important month for Muslims.

Muslims think Ramadan is the most special month. They believe that during Ramadan, heaven's doors open and hell's doors close. This is also when their holy book, the Quran, was given to them. Ramadan ends with a big celebration called Eid al-Fitr, where Muslims have a big feast and exchange gifts.

2. Muslims don't eat from sunrise to sunset during Ramadan.

For the whole month, Muslims don't eat or drink anything during the day. This is a time for them to pray, help others, and think about their faith. Kids, old people, pregnant women, sick people, and travelers don't have to fast. Fasting helps Muslims understand and help people who don't have much.

3. How do Muslims fast?

Muslims don't eat, drink, chew gum, smoke, or do a few other things from sunrise to sunset. If they accidentally do any of these, they have to try again the next day. If they miss a day of fasting, they have to fast later or help feed someone in need. They also try to avoid bad feelings and activities like watching too much TV or listening to music.

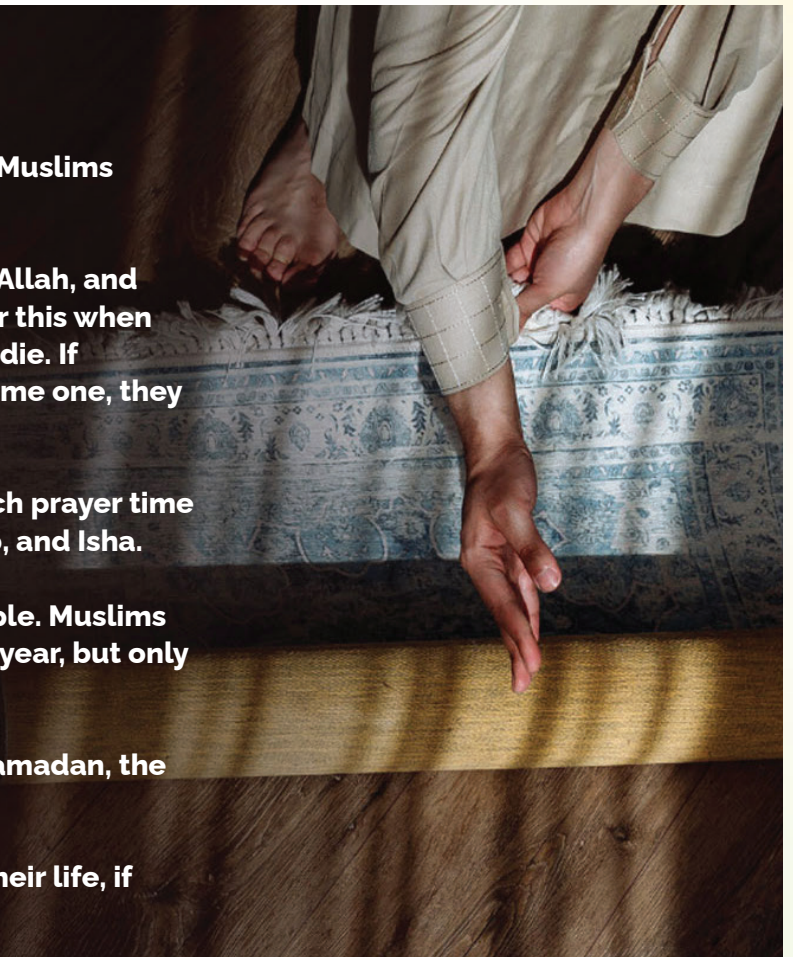

4. A day in Ramadan looks like this:

Muslims wake up early to eat before the sun comes up, then they pray. They don't eat or drink anything all day. After sunset, they eat a small meal to end their fast, go to the mosque to pray, and

The 5 Pillars of Islam

Islam has five main rules that grown-up Muslims follow:

- 1. Shahada:** Saying "There is no God but Allah, and Mohammed is his prophet." Muslims hear this when they're born and try to say it before they die. If someone isn't Muslim and wants to become one, they say this and really mean it.
- 2. Salat:** Praying five times every day. Each prayer time has its own name: Fajr, Zuhr, Asr, Maghrib, and Isha.
- 3. Zakat:** Giving money to help poor people. Muslims give 2.5% of the money they've had for a year, but only if it's more than a certain amount.
- 4. Saum:** Not eating during daylight in Ramadan, the holy month.
- 5. Hajj:** Going to Mecca at least once in their life, if

Never ever give up on your dreams!

I am Justin Gunawan from Indonesia.

Today I want to talk about dreams. Everyone young and old has dreams.

I have a dream to be a speaker and a writer... but life is not always smooth. The road is not always clear.

I was diagnosed with a severe speech disorder. I didn't really speak until I was five years old. Hours and hours of therapy had helped me to where I am now, still choppy and had difficulty.

Do I ever have self pity?

Do I feel sorry for myself?

Do I ever give up to my dream?

No!! it's only made me work harder and harder.

Let me be honest with you, occasionally yes.

I might get frustrated, tired and a little discouraged with my situation.

So what do I usually do? Breathe, rest and relax but never ever give up!

Justin Gunawan (15)

Do let Justin know how you have been encouraged [HERE](#)

More about Justin...

Justin was diagnosed with autism at two. He was unable to speak until five. He underwent 40 hours of therapy weekly. He was not accepted by 15 schools before finally finding one. At seven, his writing skill was assessed at just 0.1 percent, but his mother's efforts to teach him how to hold a pencil and write bore fruit. By eight, Justin's writing was published by a national publisher.

Despite his difficulties in speaking and the daily struggles with his autism, Justin uses his writing to inspire and encourage others worldwide, turning his challenges into a source of strength. His writing can be seen on Instagram [@justinyoungwriter](#), where he continues to share his journey and connect with people around the world.
